EFFECTIVE MEDIA RELATIONS

One-day or two-day training course for executives

Do you know how to:

- pitch stories to foreign media?
- get better media coverage from local press?
- arrange interviews with media?
- respond to negative publicity online in a crisis?

Our customized course is built to meet the particular challenges of managers, department heads and company spokespersons when facing the media.

Gain an insight into what makes reporters and editors tick. Learn to use the tools of the media relations trade effectively. Confidently ensure you get maximum mileage from every event you organise or media-related material you send out.

Get a deeper understanding on how to target local and international media to consistently generate publicity for your product, service or stock in print, online, radio or TV.

Learn to formulate a long term media strategy and manage expectations of your CEO, board of directors, shareholders, suppliers, partners and customers.
